

Towards climate friendly programming

terre des hommes schweiz and its commitment to reduce CO2-emissions until 2030.

Climate Justice

Why Climate Justice

Unequal
emissions
through
globe

Even though poorer countries
have done the least to change
the climate, they're the ones
getting hit the most!

how climate just are we?

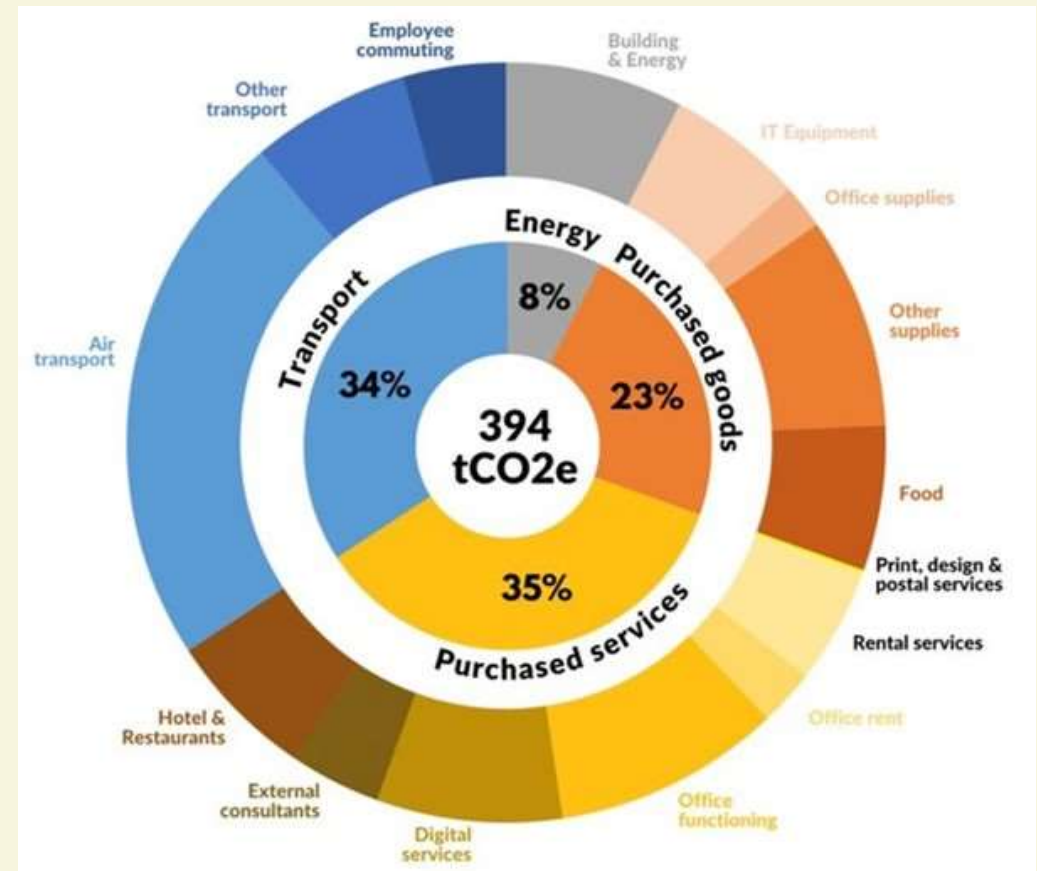

The Climate Action Accelerator

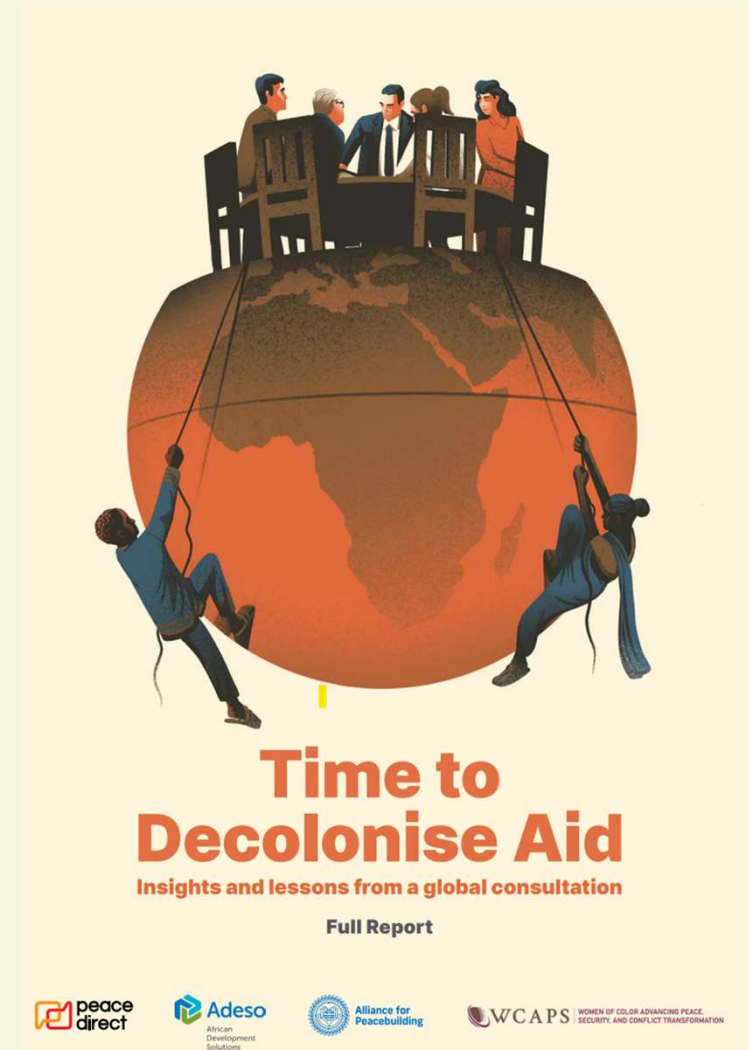

Climate Action
Accelerator

The Climate Action Accelerator, a not-for-profit association, aims to mobilise a critical mass of community organisations in order to scale up climate solutions, contain global warming below 2°C and avoid the risk of dangerous runaway climate change.

Where and who do we want to be?

- How do we want to work 10 or 15 years from now?
- What is our role now and what will or should it be 15 years from now?
- What are we already doing right and where do we need to be more consistent?

Merci
